Secret BookShelf**

by
Mrs. Sakellaris

Once upon a time, Susie wanted to become part of a team.

Her classmates were talking about what new things they were going to do in 5th grade. Frank is joining band, Joe baseball, and Jan Science Camp.

*Susie asked what else there is to do in 5th grade. All the students rejoiced as they told Susie about **READING OLYMPICS!***

Jan told Susie that she should definitely come to the Reading Olympics informational meeting this week. The boys cheered. Susie was thrilled.

Frank and Susie shook hands and they all agreed to join the team and do their best!

Jan gave Susie the Fall Book List from Ms. Noonan. They were all excited about the 9 marvelous books that they would get to read.

As the friends walked home together, Susie did some magic, and the Magic Book Shelf appeared with all 9 books!
